HISTORY

Ladurée is a world-renowned French pâtisserie, with a rich history dating back to 1862. Ladurée is best known for creating the world's most delectable macarons, presented in exquisite gift boxes.

Louis Ernest, Ladurée's second cousin, was the one who first thought of taking two macaron shells and joining them with a delicious ganache filling. Since then, the recipe has not changed.

Till this day Ladurée's macarons, cakes and pastries are world famous for the incomparable taste and beauty.
